

CALL FOR PAPERS

2023 The 5th World Symposium on Software Engineering

Tokyo, Japan | September 22-24, 2023

WSSE 2023

[WWW.WSSE.ORG](http://www.wsse.org)

We cordially invite the scientific community to participate in what promises to be a memorable conference-The 5th World Symposium on Software Engineering (WSSE 2023) in Tokyo, Japan on September 22-24. WSSE is organized by Science and Engineering Institute, co-sponsored by Wuhan University, University of Houston-Downtown, Huaqiao University and technical supported by University of North Dakota, etc.

PUBLICATION

All the papers will be peer reviewed by experts. Accepted, registered and presented papers will be published in the ACM Conference Proceedings, which will be indexed by Ei Compendex, Scopus and other academical databases.

CALL FOR PAPERS

Artificial Intelligence
 Human-Computer Interaction
 Information Systems Engineering
 Distributed Intelligent Systems
 Computer & Software Engineering
 For more details, please visit: <http://wsse.org/cfp.html>

SUBMISSION

Abstract can be included in conference program only.
Full paper submission can be published in proceeding after presentation and registration.
